Not In Love

Are you ready?

You call me on the phone
I act like nothings going on
We're drivng in my car
I pretend that you don't turn me on
Ah ah ah you sexy thing
Yeah you know it yeah
Ah ah ah you move around now you show it

I'm not in love
It's just a faze that i'm going through
I'm always looking for something new
But don't go running away

It's almost 3am
I'm hoping that you don't let go
You're moving in so close
I'm trying not to lose control
Ah ah ah you sexy thing
Yeah you know it yeah
Ah ah ah
You move around now you show it (come on)

I'm not in love
It's just a faze that i'm going through
I'm always looking for something new
Don't go running away
Oh i'm not in love
I try to tell myself all the time
I just can't help how i feel tonight
So don't go running away yeah

Im not in love (yeah yeah)
I'm not in love
I'm not in love (give it to me now)
I'm not in love (break it down)
Ah ah ah you sexy thing
Yeah you know it ah ah ah
You move around yeah you show it

[Repeat last verse fading out with chorus]

The Way You Touch Me

ENRIQUE

Touch me

It's the way we touch,

Oh feel it, oh feel it,

I was alone, waiting with my fantasies
Until you came, liberated me,
And taught me so much about humanity,
Yeah-e yeah-e-yeah,

I needed you to know
You're more than just a one night stand,
And girl with your permission,
Baby you can give me your hand,
Not your romance

[CHORUS]

Coz it's the way you touch me baby,
Oh it's the way you touch me baby,
If you want we can talk, all night long,
But it's the way you touch me baby,

I was alone, grasping for my sanity,
You beauty came free of vanity,
Opened my mind, gave me your anatomy,
Yeah - e - yeah - e - yeah

I needed you to know,
Your more than just a one night stand,
I need some supervision,
I'm losing all control of my hands,
In your command

[Chorus]

[Instrumental]

Come on baby, oh oh yeah
Oh baby

You should really know you've got me eating from your hand,
And the ship is gonna blow,
And baby it's not gonna end,
Till your coming,

It's the way you touch

[Chorus]

It's the way we touch
It's the way we touch

ENRIQUE

[Chorus]
Oh feel it
Oh oh yeah
Oh feel it
Oh oh yeah

[Fade]

Say It

Oh Ohoh ohohohoh
Oh Ohoh ohohohoh oh oh yeah.....

Dont tell me,
If your leaving in the morning,
I don't wanna have a warning,
If your not here,
Just take me,
Please take me for the last time,
Coz baby now is not the right time,
For us to be scared.

Yes i know i wasn't perfect when we fought and cried all those nights,
But the passion that we have is too strong, to give up the fight,

So i need you to say it,
If you really want to let me go
Coz i don't believe, you know i don't,
Won't you tell me the truth,
Yes i need you to say it,
If you really want this love to end,
Look me in the eye and don't pretend,
That what we have is through,

Don't tell me,
If there is someone else inside you,
Doing all the things that i do,
Coz i don't want to hear,

Just take me,
Don't want to feel no-more resistance

ENRIQUE

No we don't have to go the distance,
Cause we're already there,

Yes i know i wasn't perfect when i ran and lied all those times,
But the passion that we have is too strong, to give up the fight!

[Chorus]

So i need you to say it,
If you really want to let me go
Coz i don't believe, you know i don't,
Won't you tell me the truth,
Yes i need you to say it,
If you really want this love to end,
Look me in the eye you can't pretend,
That what we have is through,

All those times we fought
I made you cry,
I'm sorry,

[Chorus x3]

(i want you to say it,
I need you to say it,

I want you to say it,
I need you to say it,

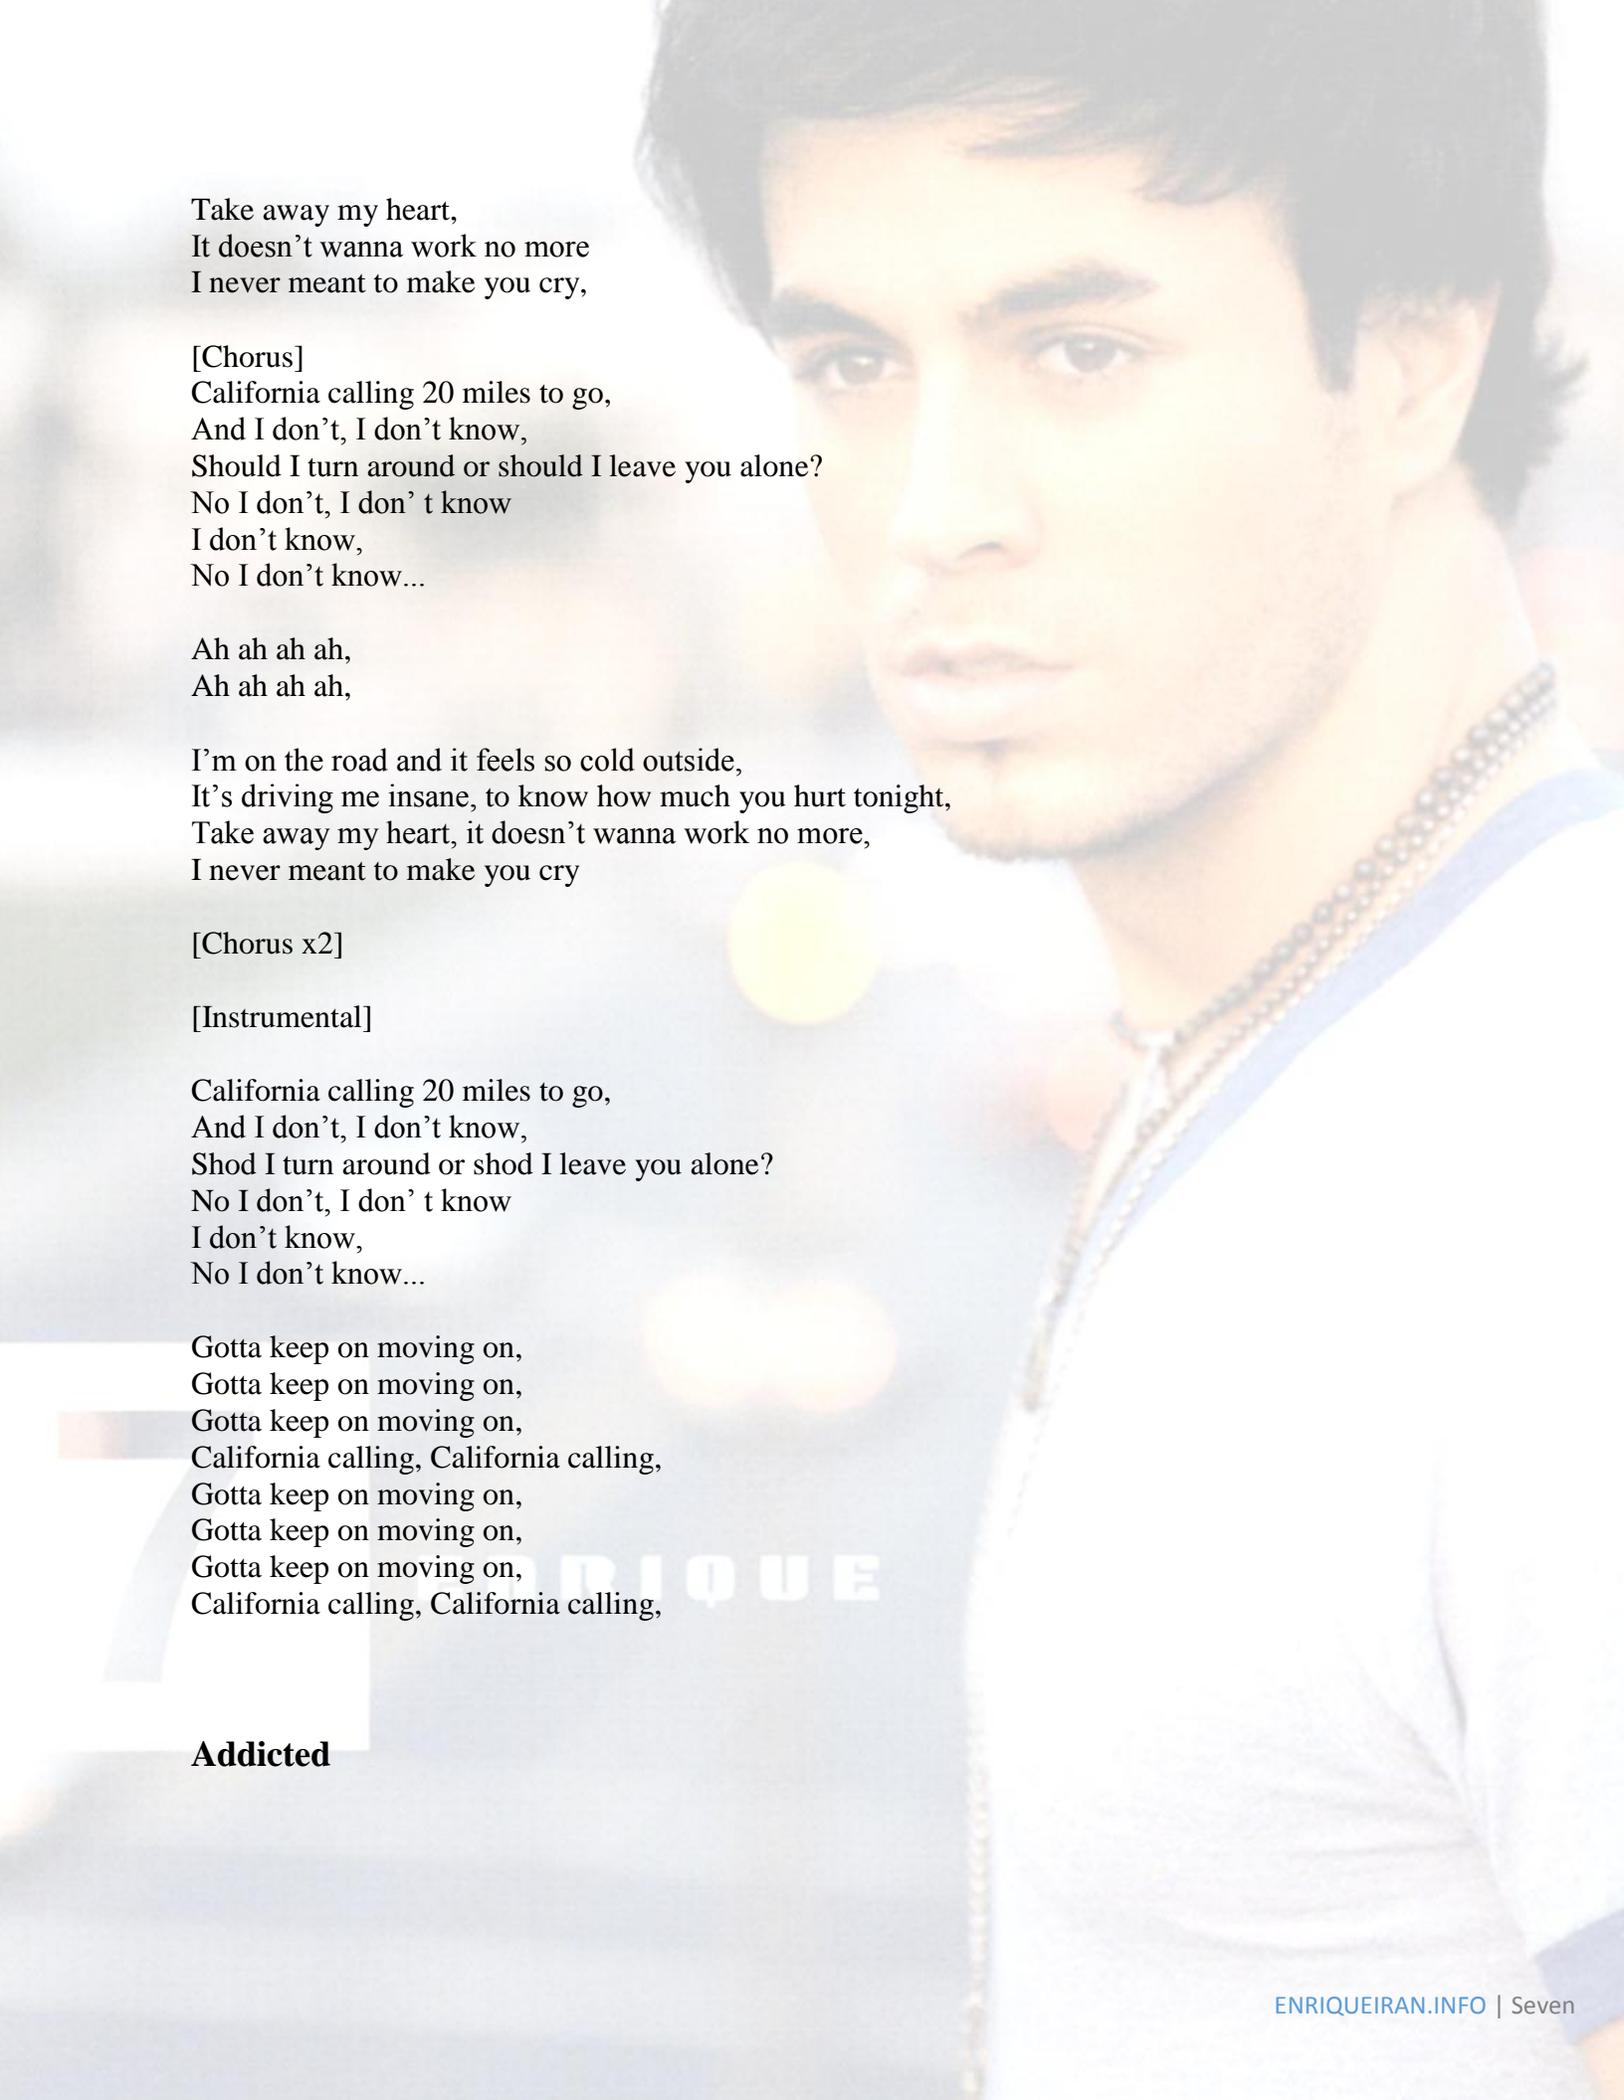

That what we have is through)

Oh Ohoh ohohohoh
Oh Ohoh ohohohoh oh oh yeah.....

California Callin'

ENRIQUE

Driving through the night,
Tears are running down my face,
I start to realise, all the things that I once said,
I promised you the world
It's nothing more than you deserve
It's killing me inside, to know I put you through this hell,

Take away my heart,
It doesn't wanna work no more
I never meant to make you cry,

[Chorus]
California calling 20 miles to go,
And I don't, I don't know,
Should I turn around or should I leave you alone?
No I don't, I don't know
I don't know,
No I don't know...

Ah ah ah ah,
Ah ah ah ah,

I'm on the road and it feels so cold outside,
It's driving me insane, to know how much you hurt tonight,
Take away my heart, it doesn't wanna work no more,
I never meant to make you cry

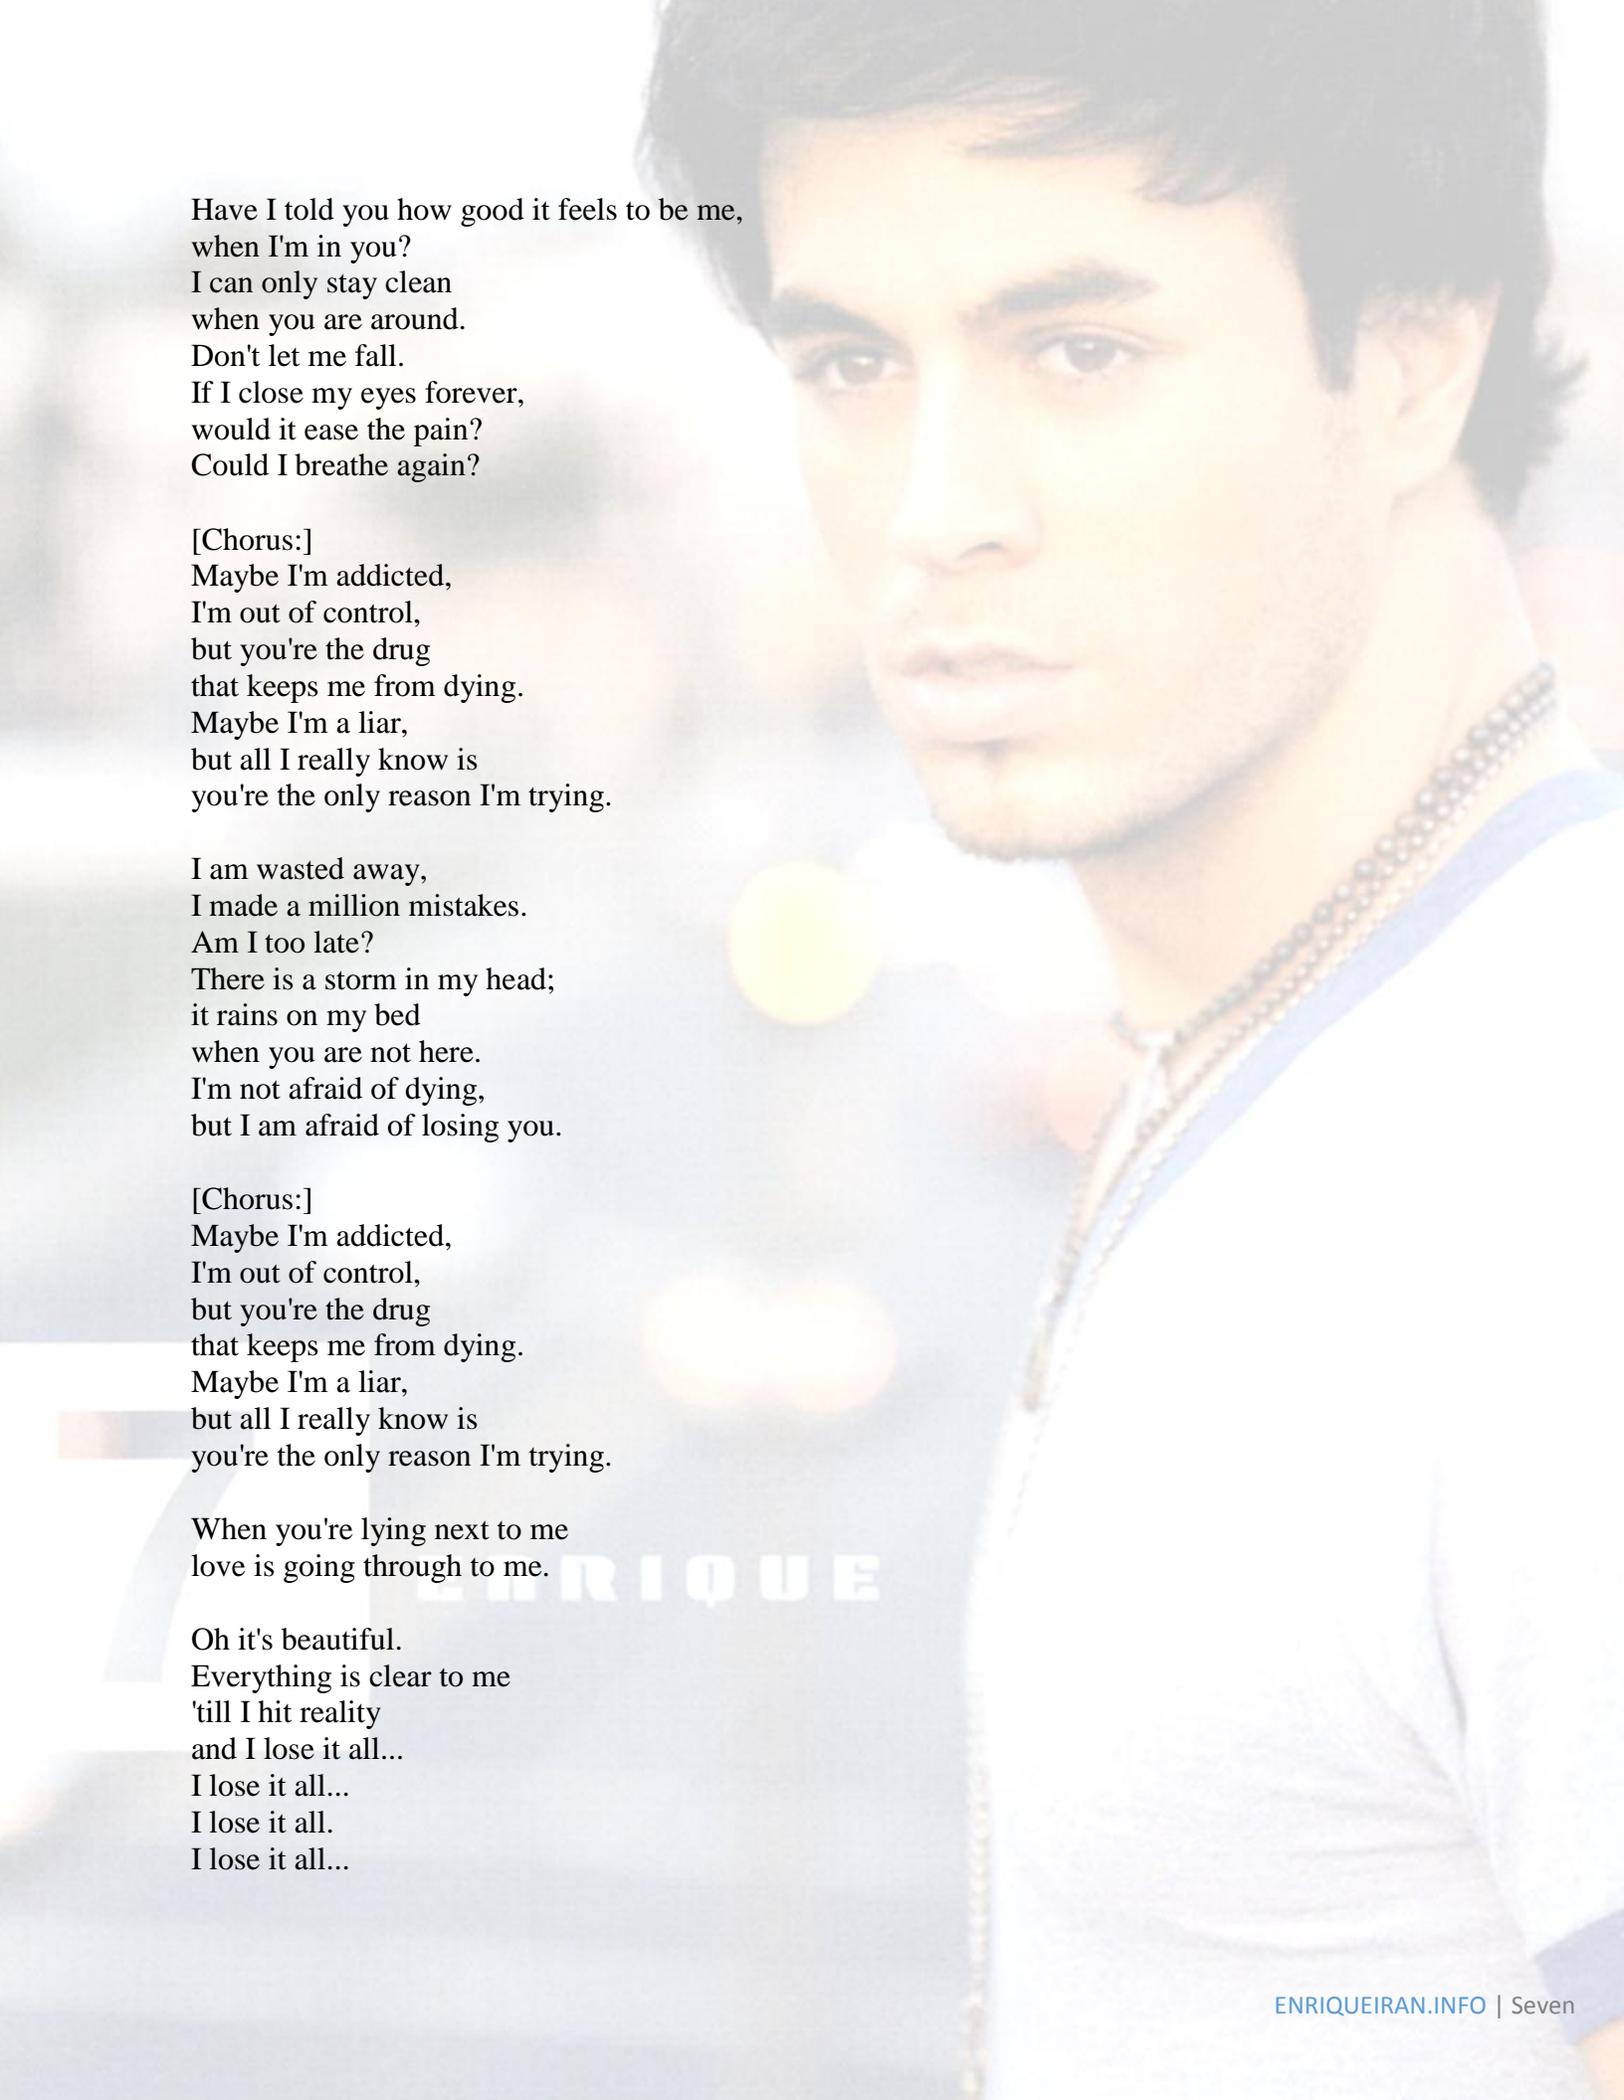

[Chorus x2]

[Instrumental]

California calling 20 miles to go,
And I don't, I don't know,
Shod I turn around or shod I leave you alone?
No I don't, I don't know
I don't know,
No I don't know...

Gotta keep on moving on,
Gotta keep on moving on,
Gotta keep on moving on,
California calling, California calling,
Gotta keep on moving on,
Gotta keep on moving on,
Gotta keep on moving on,
California calling, California calling,

Have I told you how good it feels to be me,
when I'm in you?
I can only stay clean
when you are around.
Don't let me fall.
If I close my eyes forever,
would it ease the pain?
Could I breathe again?

[Chorus:]
Maybe I'm addicted,
I'm out of control,
but you're the drug
that keeps me from dying.
Maybe I'm a liar,
but all I really know is
you're the only reason I'm trying.

I am wasted away,
I made a million mistakes.
Am I too late?
There is a storm in my head;
it rains on my bed
when you are not here.
I'm not afraid of dying,
but I am afraid of losing you.

[Chorus:]
Maybe I'm addicted,
I'm out of control,
but you're the drug
that keeps me from dying.
Maybe I'm a liar,
but all I really know is
you're the only reason I'm trying.

When you're lying next to me
love is going through to me.

Oh it's beautiful.
Everything is clear to me
'till I hit reality
and I lose it all...
I lose it all...
I lose it all.
I lose it all...

Nah nah nah
nah nah nah....
Nah nah nah nah nah nah.....
nah nah nah nah nah nah....

You're the only reason,
Yeah, you're the only reason I'm trying,
Oh, I'm trying, I'm trying, I'm trying,
Don't want to lose it all,
Don't want to lose it all,
I'm trying, I'm trying..
I'm trying ...
Yeah, you know I'm addicted,
You know I'm addicted,
Yeah, you know I'm addicted....

Break Me Shake Me

(Ow!)
(Ha haha ha) x 2

Do anything you want
But never find the heart to leave me
'Cause I need you too much
So play your game but don't desert me
Maybe you heard I'm tough
(haha-ahah)
To love, but baby please believe me
Don't be afraid to trust me
I wouldn't trade you for the world
And if you feel you gotta test me
Before you be my girl:

You can shake me
You can break me
But you can't make me (kill our love)
'Cause that's the only thing I won't do for you

Sometimes I say too much
I am right now
So please forgive me
When I can't help but touch

The place so deep inside you in me
I threw away my crutch
I'm running for you
Can't you see me?

Don't be afraid to try me
Come on and give a guy your world
And if you feel you gotta test me
Before you be my girl:

You can shake me
You can break me
But you can't make me (kill our love)
'Cause that's the only thing I won't do for you

We're always making love inside my mind
Somebody take me to the other side
I wanna get so deep inside your world
So don't run away girl

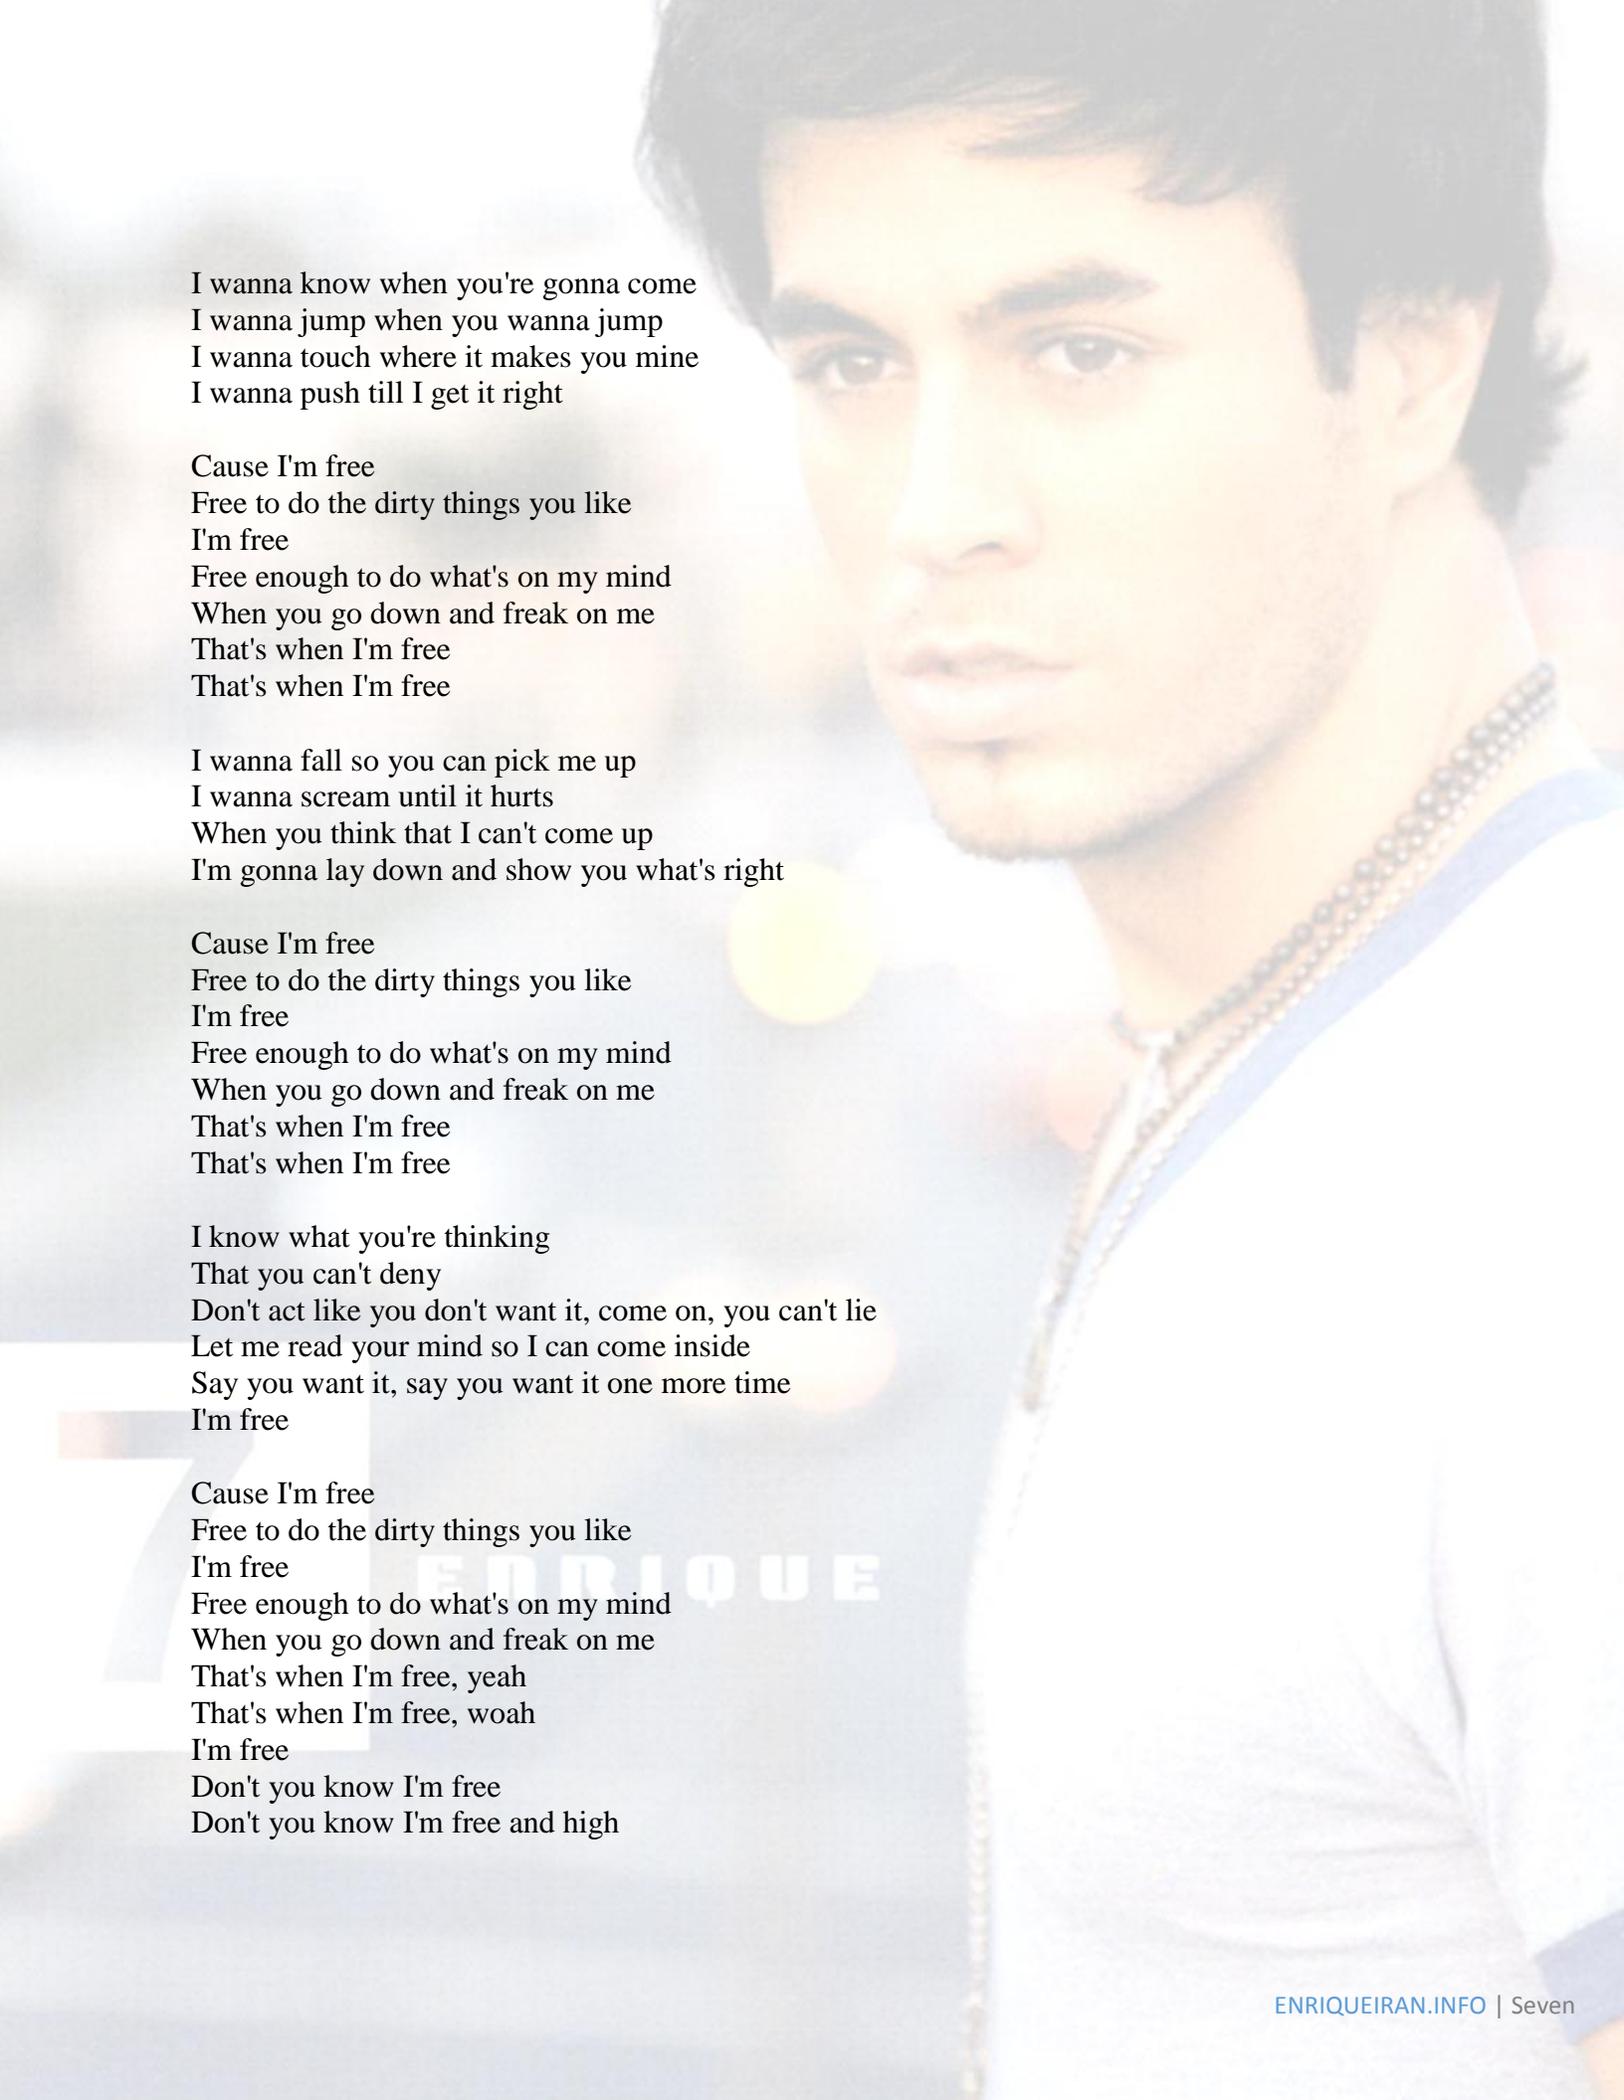

You can shake me
You can break me
(Oh, yeah)
But you can't make me (kill our love)
'Cause that's the only thing I won't do for you

Shake me
(Ow!)
You can break me
(Oh, yeah)
But you can't make me (kill our love)

I'm gonna
I'm gonna
I'm gonna make you mine

You take me to the edge
And I'll jump off the ledge
If it will make you mine
I'll lose a leg, go blind
I'll sail a thousand ships to find and kiss your lips

Free

I wanna know when you're gonna come
I wanna jump when you wanna jump
I wanna touch where it makes you mine
I wanna push till I get it right

Cause I'm free
Free to do the dirty things you like
I'm free
Free enough to do what's on my mind
When you go down and freak on me
That's when I'm free
That's when I'm free

I wanna fall so you can pick me up
I wanna scream until it hurts
When you think that I can't come up
I'm gonna lay down and show you what's right

Cause I'm free
Free to do the dirty things you like
I'm free
Free enough to do what's on my mind
When you go down and freak on me
That's when I'm free
That's when I'm free

I know what you're thinking
That you can't deny
Don't act like you don't want it, come on, you can't lie
Let me read your mind so I can come inside
Say you want it, say you want it one more time
I'm free

Cause I'm free
Free to do the dirty things you like
I'm free
Free enough to do what's on my mind
When you go down and freak on me
That's when I'm free, yeah
That's when I'm free, woah
I'm free
Don't you know I'm free
Don't you know I'm free and high

Be Yourself

Well, I am what I am
what I am could be who you are
Is your pain when you smile
because you built a wall around your heart
Do the thoughts in your head keep you up
cause you feel alone
And are you strong enough to be yourself

Papa used to say you're just a loser
and you're never gonna have what it takes
Mama used to say all that loud music you play
ain't gonna get you nowhere

You gotta be yourself
You gotta be yourself

If you cried would you hide
would you want all the world to know
And if you believed in love
would you let it show
Are you in
Are you hip
Are you cool
Do you try too hard
or are you strong enough to be yourself

Papa used to say you're just a loser
and you're never gonna have what it takes
Mama used to say all that loud music you play
ain't gonna get you nowhere
Papa used to say you're just a loser
and you're never gonna have what it takes
Mama used to say all that loud music you play
ain't gonna get you nowhere

You gotta be yourself
You gotta be yourself

If you can't, can't be yourself
what are you living for

If you can't, can't be yourself
you're gonna lose it all
If you can't, can't be yourself
what are you living for
You're gonna find someday
you're gotta run away
you gotta run, run, run away

Papa used to say you're just a loser
and you're never gonna have what it takes
Mama used to say all that loud music you play
ain't gonna get you nowhere

You gotta be yourself
You gotta be yourself
You gotta be yourself

Wish You Were Here (With Me)

Funny how the years
They just pass us by
Seems like yesterday
You were in my life

You always wanted
To start a family
I was way too young
I was runnin' free

If you could only see me now
You'd realize
I'm not the boy who
Made you cry

You gave yourself
I didn't see it
You died in me
I should've saved you
Oh
Wish you were here with me

ENRIQUE

I thought I knew it all
How stupid could I be?
I think of all I had
And it makes me weak

If you could only see me now
You'd realize
I'm not the boy who
Made you cry

You gave yourself
I didn't see it
You died in me
I should've saved you
Oh
Wish you were here with me

Sometimes
You hurt the ones who love you most
And sometimes
You hold the ones who leave you lost
And sometimes
You learn but it's too late
It's too late

You gave yourself
I didn't see it
You died in me
I should've saved you

You gave yourself
Why did you give yourself to me?
You died in me
Why was I too blind to see?
Oh
Oh
Oh
Wish you were here with me

Funny how the years
Just pass us by

Roamer

(roamer, roamer)
Hello, i'm coming at your town again
How's about a night, how's about a flight supernova
I know, i've been kinda hot and cold
But you never go away, no matter what i say,
In the mornings

[Chorus]
My need is running low
I've been moving everywhere

Spreading out my wings, trying everything
But that's over, cos when i'm on my own
Waking up with someone new
And now i feel the same, i'm mixing up their name
It's like a roamer

Goodbye, i'm going on the road again
But i'm bringing you along,
In each and every song that we cover
And i, i always wanna see your face
Cos looking in your eyes, is where i see my life
When i'm older

[Repeat chorus]

Like a roamer, like a roamer

Mississippi, tennessee
California ,lexico ,like a roamer
Russia, san francisco bay, to the uk,
Round the world in 80 days
Like a roamer

When i go away, don't wanna go away
Don't wanna go away, don't wanna go away
Don't wanna go away, don't wanna go away

[Repeat chorus x2]

Mississippi, tennessee
California ,lexico ,like a roamer
Russia, san francisco bay, to the uk,
Round the world in 80 days
Like a roamer

Live It Up Tonight ENRIQUE

We're strong, we're weak, we die
We're straight, we're gay, we're bi
We're black, we're white, but why
To talk, the truth, we lie

We get so trapped inside our very lives
We disappear before our very eyes,

CHORUS

So come on live it up tonight
Live it up tonight, move on
It's time we give it up tonight
And live it up tonight, from now on

We loved, and lost, we tried
Did I say, I'm fine, Cause I'd die
I'm so sick, and tired, of crying
So tonight, it's time, we just fly

Somehow we got so caught up in the deal
We lost the only thing we had that's real

Repeat CHORUS

Cause we can heal
Make it real
Can you feel it?

Although it hurts so bad
To say goodbye
I know my love for you
Is still alive

Repeat CHORUS x 3

So come on live it up tonight
Live it up tonight, move on

7 Adicto

ENRIQUE

Te quisiera decir
lo que siento en mi
si tu no estas
ya no se respirar
ya no puedo escapar
de mi addicion

imagino un solo instante
sin tenerte y se que es mejor morir

Soy como un adicto que no tiene control
y estoy cayendo una y mil veces
vivo en un abismo entre el cielo y el dolor
rogando que tu amor me libere

Yo no puedo salir
me olvide de reir
me olvide de dios
las ventanas no estan
solo tengo la mitad de mi corazon

Mi vida ya no importa
tan solo lucho por tu amor

Soy como un adicto que no tiene control
y estoy cayendo una y mil veces
vivo en un abismo entre el cielo y el dolor
rogando que tu amor me libere

cada vez que estas en mi
todo vuelve a ser feliz y tan magico
pero esta realidad
da lo mismo despertar que morir mi amor (que morir mi amor)

Morir de amor
