Rhythm Divine

Escucha el ritmo de tu corazon (Whispered)
From the coast of Ipanema
to the Island of Capri
all the way to Kuala Lumpur
I will follow you wherever you may be

From the moment, I first saw you
Knew my heart could not be free
Had to hold you in my arms
There can never be another for me

All I need is
THE RHYTHM DIVINE
Lost in the music
You're heart will be mine
All I need is
to look in your eyes
Viva la musica
Say you'll be mine

Can you feel the heat of passion
Can you taste our love's sweet wine
Join the dance and let it happen
Put tomorrow's cares right out of your mind
As the music draws you closer
And you fall under my spell
I will catch you In my arms now
Where the night can take us no can tell

All I need is
THE RHYTHM DIVINE
Lost in the music
You're heart will be mine
All I need is
the look in your eyes
Viva la musica
Say you'll be mine

Gotta have this feeling forever
Gotta live this moment together
Nothing else matters
just you and the night
Follow on the wings of desire
now the rhythm is taking you higher
No one can stop us from havin' it all

You are my heart.....you are my soul
All I need is
THE RHYTHM DIVINE
Lost in the music
You're heart will be mine
All I need is
the look in your eyes
Viva la musica
Say you'll be mine

Can you feel the rhythm?
Can you feel the rhythm?
Can you feel the rhythm?

Be With You

Monday night I feel so low
Count the hours they go so slow
I know the sound of your voice
Can save my soul
City lights, streets of gold

Look out my window to the world below
Moves so fast and it feels so cold
And I'm all alone

Don't let me die
I'm losing my mind
Baby just give me a sign

And now that you're gone
I just wanna be with you
And I can't go on
I wanna be with you
Wanna be with you

I can't sleep and I'm up all night
Through these tears I try to smile
I know the touch of your hand
Can save my life

Don't let me down
Come to me now
I got to be with you some how

[Repeat Chorus]
And now that you're gone
Who am I without you now
I can't go on
I just wanna be with you

[Repeat Chorus]

I Have Always Loved You

Since the beginning of time
Since it started to rain
Since I heard you laugh
Since I felt your pain
I was too young, you were much younger
We were afraid of each other's hunger

I have always loved you
There's never been anyone else
I knew you before I knew myself
Oh my baby, I have always loved you

Since we kissed the first time
Since we slept on the beach
You were too close for comfort
You were too far out of reach
You walked away, I should have held you
Would you have stayed for me to tell you?

I have always loved you
There's never been anyone else
I knew you before I knew myself
Oh my baby, I have always loved you
Years go by in a matter of days
And though we go separate ways
I never stop dreaming of you
I have always loved you

When you call it makes me cry
We never made time for you and I
If I could live it all again
I'd never let it end, I'd still be with you
Oh God, I miss you

I have always loved you
There's never been anyone else
I knew you before I knew myself
Oh my baby, I have always loved you

Years go by in a matter of days
And though we go separate ways
I never stop dreaming of you
I have always loved you

Sad Eyes

Every day here you come walking
I hold my tongue, I don't do much talking
You say you're happy and you're doin' fine
Well go ahead, baby, I got plenty of time
Sad eyes never lie
Sad eyes never lie

Well for awhile I've been watching you steady
Ain't gonna move 'til you're good and ready
You show up and then you shy away
But I know pretty soon you'll be walkin' this way
Sad eyes never lie
Sad eyes never lie

Baby don't you know I don't care
Don't you know that I've been there
Well if something in the air feels a little unkind
Don't worry darling, it'll slip your mind

I know you think you'd never be mine
Well that's okay, baby, I don't mind
That shy smile's sweet, that's a fact
Go ahead, I don't mind the act
Here you come all dressed up for a date
Well one more step and it'll be too late
Blue blue ribbon in your hair
Like you're so sure I'll be standing there
Sad eyes never lie
Sad eyes never lie
Sad eyes never lie
Sad eyes never lie

I'm Your Man

You can be a million miles away from me
You can be kissin` another man`s lips
But i`m your man, i`m your man

If tomorrow would stay behind
And my eyes that never wake up
I`m still your man, i`m your man

I pray to god,
I pray for time I pray
I can hold you in my arms
Pray with me eternally
Time is forever ours

It`s the way that you smile
The way that you cry
Why I always want to be your man
It`s the way that I feel, when I feel you inside
Why I always want to be your man

You can be a million miles away from me
You can be kissin` anoth-er man`s lips
But i`m your man, i`m your man

They can take away my heart and my soul
They can even tell me you don`t love me no more
But i`m your man, i`m your man

I won`t give up,
I won`t let you down
I promise to always stand by your side
Pray for faith, pray for you
Pray that we`ll always be

It`s the way that you smile
The way that you cry
Why I always want to be your man
It`s the way that I feel, when I feel you inside
Why I always want to be your man

It`s the way that you`re weak
It`s the way that you`re strong
Why I always want to be your man
It`s the way you believe

It's the love that you give
Why I always want to be your man

I pray to god,
I pray for time I pray
I can hold you in my arms
Pray with me eternally
Time is forever ours

It's the way that you smile
The way that you cry
Why I always want to be your man
It's the way that I feel, when I feel you inside
Why I always want to be your man

It's the way that you're weak
It's the way that you're strong
Why I always want to be your man
It's the way you believe
It's the love that you give
Why I always want to be your man

It's the way that you're weak
It's the way that you're strong
Why I always want to be your man
It's the way you believe
It's the love that you give
Why I always want to be your man

Oyeme

If you're feelin` like you want it, baby
Give you somethin` we can both go crazy
I get the feelin` when I look at you
There is nothin` that you wouldn't do

You're the kinda girl I dream about
Electric eyes and a big mouth
Turn me on, I'll turn you inside out
By the end of the night I'll be with you
Ay...there's no hurry, baby, take your time
Ay...I'm not giving up until you're mine

Oyeme...touch you here,
I'll touch you there
Oyeme...I want to touch you everywhere
Oyeme...let`s just take it all the way
Oyeme...oyeme
In the quiet of a darkened room
Under the influence of your perfume
There is nothin` that I wouldn`t do
Let me keep you up all through the night

Ay...there`s somethin` in your eyes I can`t describe
Ay...I`m not given until you`re mine
Oyeme...touch you here,
I'll touch you there
Oyeme...
I want to touch you everywhere
Oyeme...
You`re so beautiful I swear
Oyeme...oyeme
Oyeme...listen to the words I say
Oyeme...let`s just take it all the way
Oyeme...till the night becomes the day
Oyeme...oyeme
Ay...there`s no hurry, baby, take your time
Ay...I`m not giving up until you`re mine

[Chorus]

Could I Have This Kiss

Over and over I look in your eyes
you are all I desire
you have captured me
I want to hold you
I want to be close to you
I never want to let go
I wish that this night would never end
I need to know

Could I hold you for for a lifetime
Could I look into your eyes
Could I have this night to share this night together

Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

Over and over I've dreamed of this night
Now you're here by my side
You are next to me
I want to hold you and touch you taste you
And make you want no one but me
I wish that this kiss could never end
oh baby please

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

I don't want any night to go by
Without you by my side
I just want all my days
Spent being next to you
Lived for just loving you
And baby, oh by the way

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I have this kiss forever
Could I could I have this kiss forever, forever

You're My #1

E N R I Q U E I G L E S I A S

I've kissed the moon a million times
Danced with angels in the sky
I've seen snowfall in the summertime
Felt the healing of the powers above

I've seen the world from the highest mountain
Tasted love from the purest fountain
I've seen lips that spark desire
Felt the butterflies a hundred times

I've even seen miracles
I've felt the pain disappear
But still haven't seen anything
That amazes me quite like you do

You bring me up when I'm feeling down
You touch me deep you touch me right
You do the things I've never done
You make me wicked you make me wild
`Cause baby, you're my #1

I've sailed in a perfect dream
I've seen the sun make love to the sea
I've kissed the moon a million times
Danced with angels in the sky

I've even seen miracles
I've seen the tears disappear
But still haven't seen anything
That amazes me quite like you do
[Chorus]

Alabao

When i'm with you a chain reaction
Like a rush of satisfaction
Suddenly coming over me

Your eyes telling me that you hold the key
The key to unlock my fantasies
Baby this is where I want to be

My heart is beating so hard it's frightening
Feels like i'm hit by lightning
Every time I watch you move

You`re so in tune with your body
And I can see that no one else will do
Cause i`m so into you

Alabao, you got the touch
Alabao, you got the motion
Alabao, just can`t hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you`re the one that I adore

You can take care of my affliction
Satisfy my addiction
You know what you have to do
When your body wants my affliction
You take me in a new direction
One where there`s only you and me

Alabao, you got the touch
Alabao, you got the motion
Alabao, just can`t hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you`re the one that I adore

Just one look in your eyes and
I`m in heaven
There`s so much that
I want I go insane
Take me here, make me yours now and forever
I can take all the pleasure and the pain

Alabao, you got the touch
Alabao, you got the motion
Alabao, just can`t hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you`re the one that I adore

Alabao, you got the touch
Alabao, you got the motion
Alabao, just can`t hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you`re the one that I adore

Ritmo Total

Desde el mar en Ipanema
Hasta el cielo de Tahiti,
Bajo el sol de Kuala Lumpur
Atravesare el planeta tras de ti.
Desde que senti tu cuerpo
Ya no puedo resistir
Sin llevarte entre mis brazos.
Tu eres eso que sone conseguir.

Para mi ese ritmo total
Que hay en tus venas latiendo al compas
Para mi ese algo especial.
Viva la musica, damelo ya.

Di que sientes lo que siento.
Dame el vino de tu amor.
Ven conmigo a hacer locuras.

No hay mañana en que pensar.
Solo hoy.
Di que sientes el hechizo
De la musica en tu piel,
Y abandona en los brazos
De la magia de la noche otra vez.

Para mi ese ritmo total
Que hay en tus venas latiendo al compas
Para mi ese algo especial.
Viva la musica, damelo ya.

Esta vez sera para siempre.
Agarrados eter-namente.
Solo se siente la noche tu y yo,
Y una rumba que no se calla.
Sigue el ritmo alla donde vaya.
Nadie podra detenernos, ya no.
Dime que si.
Ten compasion.

Para mi ese ritmo total
Que hay en tus venas latiendo al compas
Para mi ese algo especial.
Viva la musica.
Para mi ese ritmo total
Que hay en tus venas latiendo al compas
Para mi ese algo especial.
Viva la musica, damelo ya

Mas Es Amar

Pasas desnuda ante mi celda
Mejor callar y que no me entiendas
Eres la reina en cualquier lugar
Y yo me dejo, si tu quieres jugar
Pero

Mas es amar
Mas es amar

Con cuanto morbo te dejas caer
Prendiendo fuego al atardecer
Hago piruetas en tu dedo pulgar
Pero eso es todo, no puedo pasar

Porque
Mas
Mas es amar

No sufras, todo va bien
Ese rio ya lo cruce
Bebeme entero como lluvia de abril
Pero al volcan mejor dejarlo dormir

Piensas que esto es un viene y va
Y piensas bien, pero que mas da
Sonrie ?quien pide mas?
Hoy es hoy, manana es quizas

Mirala, perfume frances
Susurrame y caere a tus pies
Gris luna en tu piel
Sabes que hago lo que debo hacer

Mas es amar
Mas es amar
Mas es amar
Mas es amar

No Puedo Mas Sin Ti

Puede que te alejes anos luz de mi
Puede que te besen otros labios alli,
Pero estoy yo, siempre yo.

Puede que mi cuerpo descanse en paz
Puede que mis ojos no te vean mas
Pero estoy yo, siempre yo.

Y pido al sol y pido al mar
Y pido a los vientos que te traigan ya.

Mi diosa tu, tu esclavo yo
Hasta la eternidad.

Es por tu suspirar,
Es por tu seducir.
Es que yo no puedo mas sin ti
Es por esta pasion que me pone a mil
Es que yo no puede mas sin ti

Puede que te alejes anos luz de mi
Puede que te besen otros labios alli,
Pero estoy yo, siempre yo.

Puede que me arranques el corazon
Puede que supongas que lo nuestro acabo
Pero estoy yo, siempre yo

Y pido al sol obscuridad
Que esconda tu cuerpo a nadie mas
Y pido fe y pido paz
Porque no puede mas

Es por tu suspirar,
Es por tu seducir.
Es que yo no puedo mas sin ti
Es por esta pasion que me pone a mil
Es que yo no puede mas sin ti

Es que me haces sonar
Es que me haces morir
Es que yo no puede mas sin ti
Es que me haces llores
Es que me haces reir
Es que yo no puede estar sin ti

Y pido al sol y pido al mar
Y pido a los vientos que te traigan ya.
Mi diosa tu, tu esclavo yo
Hasta la eternidad.

Es por tu suspirar,
Es por tu seducir.
Es que yo no puedo mas sin ti
Es por esta pasion que me pone a mil
Es que yo no puede mas sin ti
Es que me haces sonar
