

Tonight (I'm Lovin You) - Guitar Chords
Enrique Iglesias ft. Ludacris

Oooooooooooooooooooooooooow
Oooooooooooooooooooooooooow
Oooooooooooooooooooooooooow

[verse 1]

I know you want me
I made it obvious that I want you too
So put it on me
Lets remove the space between me and you
Now rock your body (oooh)
Damn I like the way that you move
So give it to me (oooo oooh)
Cause I already know what you wanna do

[pre-chorus]

Heres the situation
Been to every nation
Nobodys ever made me feel the way that you do
You know my motivation
Given my reputation
Please excuse I dont mean to be rude

[chorus]

But tonight Im lovin' you
Oh, you know
That tonight Im lovin' you
Oh, you know
That tonight Im lovin' you
Oh, you know
